Trust Data

The REIT

Dundee REIT is an unincorporated open-ended real estate investment trust governed by the laws of Ontario. Dundee REIT is a “mutual fund trust” as defined in the Income Tax Act (Canada), but is not a “mutual fund” within the meaning of applicable Canadian securities legislation.

We focus on owning, acquiring, leasing and managing mid-sized urban and suburban office and industrial properties in Canada. At December 31, 2007, our portfolio consisted of approximately 6.7 million square feet of gross leasable area, located primarily in Western Canada. Our portfolio is well diversified by geographic location and tenant mix.

Dundee REIT was formed in connection with the reorganization of the business of Dundee Realty Corporation on June 30, 2003, pursuant to which substantially all of Dundee Realty’s commercial real estate division, including senior management, and a joint interest in its property management business were transferred to us. Prior to completing the reorganization, Dundee Realty had established itself as one of Canada’s largest real estate companies and had traded on the Toronto Stock Exchange for six years between July 1997 and June 2003.

REIT Objectives

- Managing our activities to provide growing cash flow, and stable and sustainable returns through adapting our strategy and tactics to changes in the real estate industry and the economy;
- Building a diversified, growth-oriented portfolio of office and industrial properties in Canada, based on an established platform in Western Canada;
- Providing predictable and sustainable cash distributions to unitholders and prudently increasing distributions over time allowing investors to benefit from the growth in its real estate operations; and
- Maintaining a REIT that satisfies the REIT Exception in order to be more competitive in the real estate industry than REITs which have not satisfied the REIT Exception.

Distributions

Dundee REIT pays a monthly distribution, equal to at least 80% of Distributable Income on an annualized basis, to unitholders of record at any month end on or about the fifteenth day of the following month. We also have a Distribution Reinvestment and Unit Purchase Plan (“DRIP”). For more information, please visit our web site.
