Trust Data

The REIT

Dundee REIT is an unincorporated open-ended real estate investment trust governed by the laws of Ontario. Dundee REIT is a “mutual fund trust” as defined in the Income Tax Act (Canada), but is not a “mutual fund” within the meaning of applicable Canadian securities legislation.

We are a provider of high quality, affordable business premises. We focus on owning, acquiring, leasing and managing mid-sized urban and suburban office and industrial properties in Canada. Our portfolio consists of approximately 15.6 million square feet of gross leasable area, located primarily in our target markets - Toronto, Ottawa, Montréal, Calgary and Edmonton. Our portfolio is well diversified by asset type, geographic location and tenant mix.

Dundee REIT was formed in connection with the reorganization of the business of Dundee Realty Corporation on June 30, 2003, pursuant to which substantially all of Dundee Realty’s commercial real estate division, including senior management, and a joint interest in its property management business were transferred to us. Prior to completing the reorganization, Dundee Realty had established itself as one of Canada’s largest real estate companies and had traded on the Toronto Stock Exchange for six years between July 1997 and June 2003.

REIT Objectives

- Provide unitholders with predictable and sustainable cash distributions, payable monthly and, to the extent reasonably possible, on a Canadian income tax deferred basis, from a portion of the cash flow generated from our commercial revenue producing properties;
- Prudently increase cash distributions as the performance of our underlying business warrants;
- Improve the overall value of our enterprise through the effective management of our business and finances; and
- Improve the overall value of our enterprise by acquiring additional commercial revenue producing properties that add value to our overall portfolio.

Distributions

Dundee REIT pays a monthly distribution, equal to at least 80% of Distributable Income on an annualized basis, to unitholders of record on any month end on or about the fifteenth day of the following month. We also have a Distribution Reinvestment and Unit Purchase Plan. For more information, please visit our web site.
